over the last fifty years in the united states unions have been in deep decline while income and wealth inequality have grown in this timely work editors richard bales and charlotte garden with a roster of thirty five leading labor scholars analyze these trends and show how they are linked designed to appeal to those being introduced to the field as well as experts seeking new insights this book demonstrates how federal labor law is failing today s workers and disempowering unions how union jobs pay better than nonunion jobs and help to increase the wages of even nonunion workers and how when union jobs vanish the wage premium also vanishes at the same time the book offers a

range of solutions from the radical such as a complete overhaul of federal labor law to the incremental including reforms that could be undertaken by federal agencies on their own

this first book of the sixth volume centers on the revolutionary and constitutional eras in early american history while also carrying the story ahead into the early 19th century how did the american founders adapt and utilize european thought in their political and legal ideas on sovereignty state and legislation because of the seismic impact of european thought and classical traditions on america s foremost founders it should come as no surprise that some of the most basic documents in the emergent new republic were significantly influenced by european writings subsequent studies will take up the same basic themes in american thought and events from the mid 19th century to the present period the common denominator of legislation is seen to underlie their concepts of sovereignty and the state across a diverse range of isms such as utilitarianism positivism idealism socialism and nationalism in the 19th century and in related neo and anti neo forms in the 20th century the organization and classification of these and other issues is on the whole novel and comprehensive as various reviewers have indicated nothing of this magnitude on the subjects at hand has ever before been attempted
