for there was a time during the 20th century after joshua of nazareth where the evil empires the united states of america and the soviet union had conquered the world and enslaved humanity 1 for there was a day where 300 millions of children who had died from hunger during the cruel cold war came before the holy sages 2 for there was a day when the holy and the wise the spiritual lords of humanity took compassion with the starving and the dying children of the world alas alas the holy sages invoked the justice of the gods

is nasa hiding information concerning the mars and moon missions why is the photographic evidence being suppressed forty four rarely viewed official nasa photos 20 illustrations and transcriptions of astronauts sightings provide more evidence that ets have inhabited and continue to inhabit both the moon and the planet mars

we collective humanity are one of earth s resources we cycle and recycle ourselves through lifetimes upon earth learning sharing and contributing to earth in a variety of ways gaia truly benefits from our company and her sentience enjoys the varied history we have shared with the planet that being said this is a time of great change for humanity and for earth we are on the cusp of a new age and time is running out on our present soon to be recent past age gaia cannot offer us complete solutions to our difficulties and dilemmas but she can instill within us the knowingness to see through our predicaments to solve the puzzles of our time

many recent discoveries have confirmed the importance of orphism for ancient greek religion philosophy and literature its nature and role are still however among the most debated problems of classical scholarship a cornerstone of the question is its relationship to

christianity which modern authors have too often discussed from apologetic perspectives or projections of the christian model into its supposed precedent besides modern approaches are strongly based on ancient ones since orpheus and the poems and mysteries attributed to him were fundamental in the religious controversies of late antiquity both pagan and christian authors often present orphism as a precedent alternative or imitation of chistianity this free and thorough study of the ancient sources sheds light on these controversial questions the presence of the orphic tradition in imperial age documented by literary and epigraphical evidence is confronted with the informations transmitted by christian apologists on orphic poems and cults the manifold christian treatments of pagan sources and their particular value to understand greek religion are illuminated by this specific case which exemplifies the complex encounter between classical culture and jewish christian tradition
